

Partnerships for Parks

Tell us a little so we can share more!

We believe that parks are essential to our quality of life in the Pac NW, and that community involvement is essential to the life of the Fort Worden Area Parks.

Parks that thrive, rather than simply survive, are those that have active communities caring and fighting for them.

Our mission is to spur more community support for and involvement in Fort Worden Area parks; (Old Fort Townsend, Rothschild House, and Fort Worden State Park Conference Center). We work to strengthen, support and start volunteer groups; link them together so that they can learn from each other and be stronger collectively; and promote the whole of Fort Worden Area parks in general so that people will join in on-going efforts to restore and preserve these legendary gathering places.

Without the initial and on-going efforts of volunteers these following Fort Worden Area institutions might never have begun: PT Marine Science Center, Puget Sound Coastal Artillery Group; Commanding Officer's Heritage Museum; Rothschild House State Park.

Thank You Volunteers!

Volunteer Programs & Services Information

Fort Worden Loves Volunteers!

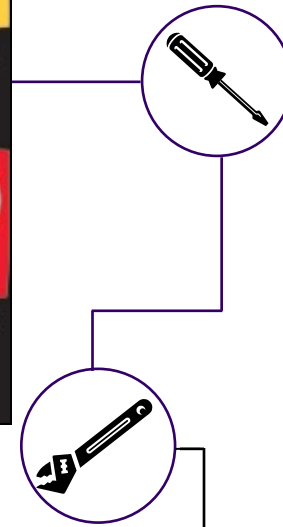

Thanks to your donated time and skills, your favorite state park sees improvements NOW, instead of sometime in the future.

Community groups can use volunteering in state parks to teach their youth to protect and care for the environment while giving back to the community. And Fort Worden staff will help!

Volunteers earn "Service Awards" – e.g. keychains, coffee mugs, fanny packs and more - based on the total number of volunteer hours donated in a calendar year.

Campground Hosts or select Interpretative Volunteers at Fort Worden may receive free campsite and utility hookups when they volunteer (minimum 30-day stay with a commitment of 28 hours each week per host site).
